7. Lydia Jay, (dau. of William 1st, and Mary Jay), married James Mills. They came from Bush River, S. Car., to Ohio in 1802.

8. David Jay, a very jovial and social man with young people, was a Methodist Preacher, emigrated from Bush River, S.Car., to Alabama. Had one son, John.

None of the children of William Jay 1st. were members of the Society of friends in virginia, though they no doubt grew up among them in the vicinity of Hopewell Meeting. When the wave of Southern emigration passed over that region about 1770, this Jay family was carried along in it to Bush River, South Carolina. It appears that soon after their removal to Bush River, the five younger children (John, Mary, Rachel, Lydia and David) became members of Friends. Unfortunately, the minutes of the meeting, prior to April 1772, are lost, so we cannot learn the time or the way in which this came about. From the minutes of Hopewell Monthly Meeting, Va., we learn that in the later part of the year, 1772, their mother, Mary Jay, gave there a paper concerning her out--going in marriage, which as taken "As satisfactory" and she received a removal certificate of membership with the Friends to Bush River, S. Carolina. It is evident that William Jay 1st. had died before that date and probably before the family left Virginia.

CALIFORNIANS PAY TRIBUTE TO COPPOCKS
AT DINNER HONORING 58-YEAR CAREER

On the evening of October 9, 1958, the Statler Hotel in Los Angeles was the scene of a dinner party given by the Southern California Sand and Gravel and Ready Mixed Concrete Associations for their directors and their wives to honor Mr. and Mrs. Fred Coppock. Mr. Coppock is chairman of the board of American Aggregates Company.

Robert Mitchell, President of Consolidated Rock Products Company, who served as master of ceremonies, outlined the history of Mr. Coppock as a producer of sand and gravel. Beginning the story in 1900, Mr. Mitchell traced the growth of the various organizations which Mr. Coppock had created as the business grew in volume. His efforts culminated with the incorporation of American Aggregates Company, reportedly the largest producer of sand and gravel in the United States.

The Guest of Honor then delivered a most interesting address, in which he strongly emphasized the need of rehabilitation of exhausted gravel properties into useful and beautiful recreation centers. He stated that producers should be alert to their responsibilities to the public and that they should be benefactors to their communities.

Apparently estranged after their son was committed, he was received at the Mississinewa German Baptist Brethren Church near Eaton IN 16 Oct 1880 and lived with his sister Leah Shoemaker and family where he helped clear timber. Hannah in that year was living with her brother-in-law and sister Uriah & Armina Hess in Newton Twp. Rudy remained in Delaware Co until the church there granted his letter 25 Mar 1883 and he moved to Washington Twp, Darke Co OH. He was then transferred to South Carolina where a segment of his unit helped preserve the peace in various cities. Embarking by steamer from Hilton Head, he sailed to New York City and traveled to Columbus OH where he was discharged 29 Sep 1865. He returned to Newton Twp and his first wife, Mary Jane Pearson, who was likely an aunt of his second wife Lydia. In 1870 he formed a mercantile trade at Pleasant Hill; he was a Newton Twp trustee and school director. He is bu by his first wife with a military marker which has no dates. His parents moved to Newton Twp in 1836 locating in the N 1/2 NW 1/4 section 1 on the south side of Falknor Rd, the farm later being owned by William and Barbara (Falknor) Matthews, she a granddaughter of Abraham & Elizabeth? (Shively) Teeter Sr. David brought his bride and resided on this farm in a house near his parents until the spring of 1866 when they moved to Union Twp, Delaware Co IN. They resided on several farms before buying the 55 acre farm in the NW 1/4 NE 1/2 section 31 a half mile south of the Union Grove Church where their last child was born in a log cabin. This was torn down with a two story frame house erected in 1893. Both Lehr and David were educated in German and did not learn English until their children started to Pike Creek school and in turn taught their parents. They were members of the Mississinewa Church of the Brethren which was renamed Union Grove in 1933. David was sitting atop a wagon load of lumber directing the horses into a shed on his farm. He miscalculated the height of the door and was struck on the head and after a lingering illness of a few weeks succumbed. During Lehr's last illness she reverted to speaking only in Pennsylvania Dutch, the language of her youth. We are grateful to Loren Shumaker of Dayton OH who furnished a brief outline he had secured from J. Ralph Winger of Marion IN. Ralph completed this Shoemaker family record in 1980 and generously shared it with us. Letha Bolender discovered a number of discrepancies in the record of daughter Hettie's family which we have corrected and only hope the remainder is accurate. David & Lehr bu in Union Ceme nr Eaton IN. Two reunions are held yearly among their descent, alternately between Eaton IN & Pleasant Hill OH and the fourth Sunday of June near Oroville CA. There were less than a dozen settlers within the confines of Newton Twp when William Long Sr brought his family sometime between 1806 and 1808. Born in 1753 in Lancaster Co PA, his wife was born five years later in York Co PA where he served as a private in the militia during the Revolutionary War. Instigated by Glenda Thompson of Indianapolis IN whose husband is one of their descendants, the Fort GreeneVille Chapter of the Daughters of the American Revolution held a ceremony 14 Oct 1995 in the Pleasant Hill Cemetery placing a new marker at the foot of the original 1814 one. More than eighty were in attendance. William Long Sr in his will filed 24 Sep 1814 Troy OH bequeaths to son John the west side of the SW 1/4 section 17 which he secured by patent 25 Jul 1812, 60 acres located on the north side of State Route 718 now part of Pleasant Hill OH. From Joseph Burket, John bought the W 1/2 SW 1/4 section 18 of 78 1/2 acres 5 Aug 1827, located on the north side of State Route 718, 3/4 mile west of Pleasant Hill. John's estate #738 was filed 10 Aug 1835 at Troy in which mention is made of the two listed parcels of land and two sons, John Jr & James who were to furnish firewood to their grandmother Rachel Long, who apparently resided in his home. A receipt appears from Samuel Rench for a pair of tombstones for John & Susannah. No guardianship was filed for their minor children. Williams and died leaving one heir, Henry H. Williams. George had purchased a portion of *Williams Prairie*, entered by his grandfather Michael Williams Sr 7 Aug 1801 on the south side of St. Rt. 718 between Pleasant Hill and the Stillwater River. Pleasant Hill Cemetery Inscriptions

Copy of the record made by Gale Honeyman in 1977

Please remember that an inscription is a record of what is written on the tombstone; it is not a caretaker's record. It is not infallible. There will naturally be mistakes. It is not proper to write on the record someone else has made unless it is your own copy. The only way to acceptably make changes is by the use of Post-It papers which you may attach to the left side of the page.

JOSEPH B. AND MIRIAM STOTLER COPP

Joseph B. Copp was born September 21, 1828, near Woodstock, Shenandoah County, Virginia. In 1832, he came to Ohio with his parents, Andrew and Elizabeth (Huddle) Copp, and settled in Twin Township. On May 17, 1849, he married Miriam Stotler, born December 11, 1829, in Somerset County, Pennsylvania, daughter of Jacob and Mary "Annie" (Sorber) Stotler.

John Stotler, Miriam's grandfather, was born in Pennsylvania of German descent. He kept a hotel for many years near the summit of the Allegheny Mountains in Somerset County where he and his wife died. Their son, Jacob Stotler, born 1797, Somerset County, married there Mary "Annie" Sorber, born 1801, Somerset County, daughter of Daniel and Elizabeth (Sivits) Sorber, both of whom were born in Pennsylvania. Five of their children were Mary Ann, Joseph, Adam, Daniel and Elizabeth.

Jacob Stotler was one of the directors of the Turnpike Company and helped to build the early turnpike and a mile of what later became a part of the National Road. In early manhood, he taught school in Pennsylvania. In 1833, they emigrated to Ohio, buying 160 acres east of West Alexandria. Jacob and Annie are buried in Sugar Hill Cemetery. Four children survived them. Edward S. Stotler, born 1825, died 1915, married in 1857 Sarah A. Halderman, daughter of Abraham and Elizabeth (Fisher) Halderman. Sarah died 1861. Edward, his brother-in-law John H. Gale, and Deitrich Glander formed the E. S. Stotler & Co. and erected a flour mill and a sawmill on Twin Creek, West Alexandria. Mr. Stotler and Mr. Glander built the brick block on the southeast corner of Dayton and Main Streets and, with other partners, he started the Twin Valley Bank, West Alexandria. In partnership with Mr. Gale, Edward established the Eaton Banking Company. Edward's sisters were Lucinda Stotler Earhart, Miriam Stotler Copp and Margaret J. Stotler who married Bethuel Harris.

Joseph and Miriam Copp lived and farmed in Twin Township where their twelve children were born, later moving to the corner of Stotler Road and East Dayton Street, West Alexandria. Members of the Reformed Church, Joseph died March 20, 1903, and Miriam died January 14, 1924. Both are buried at Sugar Grove Cemetery. Children:

They lived and farmed on Fisher-Twin Road and State Route 503 where their son, Vernon Oscar Copp, was born 1889 and died 1929. Vernon married 1911 Ethel May Mendenhall of Gratis and had two children: Neomi (Mrs. John) Pollet who has four children, Joyce Piper, Judy Sullo, Charles Pollet and Carolyn Moodie; and Stanley Oscar Copp, born 1918, married 1943 Gladys Wissinger and had two sons, Donald Eugene, born 1944, died 1964, and Thomas Vernon, born 1949, married Peggy Jean Buckingham in 1970.

JOHN WILLIAM CAMPBELL

In 1891, at the age of twenty-eight, John William Campbell (pronounced Kamel) purchased with inheritance money his first of many farms—the old Morton Homestead of 180 acres in Dixon Township. Five years later when the farm was paid for, he proposed marriage to Isabel Stevenson who lived on a neighboring farm in Gasper Township with her widowed mother. She accepted his offer; she would soon be thirty years old and didn't want to be an old maid. After the wedding ceremony performed by J. H. Clark at Camden, they immediately drove his horse and buggy out to his farm, accompanied also by his mother-in-law. She resided with the Campbells until her death in 1927.

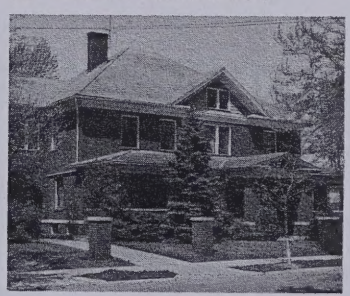
J. W. Campbell (known as Jake) was born July 1, 1863, on a farm in section 6 of Israel Township to John and Martha (Mattie Scott) Campbell, both natives of Ireland. He was their seventh child and the youngest and the only one born in America. His education was a few short terms of school. He always remained a firm believer in the Scottish Presbyterian faith of his ancestors. His grandfather Andrew Campbell, Sr. was a native of Scotland and when a young man ran away to Donegal, Ireland, to escape a cobbler apprenticeship. He married an Irish girl named Rachel Weir. During Ireland's potato famines in the 1850s, he came to Fair Haven, Ohio. Two of his sons had already gone to America and bought farm land in Israel Township.

Isabel Stevenson (known as Belle) was born March 30, 1867, to John H. Stevenson, who was a native of Glasgow, Scotland, and Nancy Jane (Kinsey) Stevenson and was the middle child of their three daughters. Her father was a Second Sergeant of the Third Ohio, Co. G., in the Civil War. He was educated at Fenwick and Edinburgh University in Scotland and preparing for the practice of medicine. Dr. Stevenson had a drugstore at Farmersville, Ohio, before his death in 1882 when Belle was fifteen years old.

Jake and Belle had six sons: Russell Stevenson, Louis David, John Scott, Paul James, Wallace Emerson (the only one living in 1991), and Robert who died at birth. The sons were in a farming business partnership with their father which ended when he died of a farming accident at the age of seventy-four years, eleven months, seventeen days on June 17, 1938. They were all well-known hog producers and cattle feeders (making a trip out West each year to buy their wild longhorn steers that were shipped by train to Preble County where they were fattened for market on their farms.)

Mr. and Mrs. Campbell acquired many properties and farm lands totaling 1,254 acres; his barns were numbered as he bought the farms. After he bought out the heirs of his mother-in-law's farm (Wallace Campbell farm in 1991) he purchased Farm No. 3 known as the "Blue Grass," also in Gasper Township. It is now part of the Boy Scout Reservation. Farm No. 4 was in Dixon Township on the Wyatt Road. Farm No. 5 was bought in 1902 in Jackson Township and is this writer's homeplace and still owned and operated by Paul Campbell heirs. Jeremiah Frame homesteaded this farm in 1816 and the Frame's hewed log, puncheon floor barn still stands (this writer saw the Frame's log house burn in 1927). Jeremiah's grandson William Frame built the house in the 1860s that is in the middle of the house on the farm now. Both Jake and Paul Campbell added on and modernized the house through the years. This writer's maternal great-great-grandmother Elizabeth (Fall) Witt had a brother Peter Fall who married Susanna Frame, youngest daughter of the Jeremiah Frames, in 1921. Peter and Susanna resided on land he had homesteaded on Daily Road (Alice Plummer owns this land now). Farms No. 6 and No. 7 were purchased in 1908 and 1910 in Israel Township. Farms No. 8 and No. 9 in Dixon Township are now owned by Bob Campbell.

The Campbells retired to Eaton, Ohio, in 1919 when they built a spacious brick residence at 131 North Beech Street (the old Price home had been on part of the lot). The Campbell sons worked at digging out the large basement by hand and helped in other phases of the home's construction.



Built by J. W. and Belle Campbell

Belle Campbell passed away the day after Christmas in 1962 at her home on North Beech Street at the age of ninety-five years, ten months and seven days. Her mother had always lived with her after her marriage and eventually both of her sisters, Kate Eccles of Germantown and Susie Young of Dayton, after they were widowed, would make their home with her. "Grandmother Campbell" is fondly remembered by her many descendants for instilling in them the Scottish and Irish heritage in the family through word of mouth and gifts of books. She was an avid reader and read her Bible daily and was a firm adherent of its teachings.

STANLEY CAMPBELL

Stanley Bosworth Campbell was a descendant of John and Sarah Vance Campbell, his great-great-grandparents, pioneers of Preble County. John was of Scotch origin, his paternal ancestors having emigrated to the English colonies at an early date. The family settled in Pennsylvania where they remained for many years and John, born 1779, grew to manhood and married Sarah Vance. Later they moved to Tennessee where he was engaged in farming until 1817 when they moved to Ohio, settling in the wilds
